

Notice of Public Meeting

Garden Isles Water Main Replacement Project

Dear Garden Isles Neighbors:

Please join us Thursday, January 20 2022, at 5:00 pm, at the City of Palm Beach Gardens City Hall, 10500 North Military Trail, Palm Beach Gardens, Florida 33410, in the Council Chambers to meet the project team and discuss the next steps in the Garden Isles Water Main Replacement Project.

The construction is anticipated to start the first week of February and is anticipated to be completed within 9-10 months. Normal working hours for these improvements will be Monday through Friday, from 7:00 AM to 5:00 PM. There may be times throughout the project that work must occur at night or weekends to avoid outages or to minimize traffic interruptions. Advanced notice will be given via signage and/or door hangers for any work outside of normal business hours, and the project team will work to minimize any disruption.

Should you have any questions or need additional information, please take a look at the project website located at <https://gardenislesproject.com/>. You can also contact the project hotline which has been set up for your convenience at 561-215-9322.

Thank you.
